What is EPIC Weekend?

Worship, fun activities, fellowship, small groups in homes and so much more crammed into an unforgettable weekend! The name sells itself! This all happens February 5 - 7, 2016 and involves both middle school and high school students. You must register online at our church website at https://www.northsidebaptist.org/events. We encourage students to bring a friend for this life-changing event!

How will students be organized into small groups in homes?

The students will be with their same gender and age-group. Students have the option of requesting a friend to be in the home with them. Then, this group of students will be paired with a couple of group leaders and a Northside member’s home (that our staff has checked and approved).

What about transportation to and from the activities?

Our staff team will organize a transportation plan that focuses on safety of the students. Although many college leaders will assist us in being leaders over the weekend, we ask that all drivers be over the age of 22 years old and have a safe driving record.

Is it possible for a student to leave a part of the weekend due to a prior commitment (i.e. game or practice)?

Yes! We will have a time away card that each student and parent can fill out prior to the weekend in order to participate in an outside event.

Does my student need to bring money?

There will be merchandise from the band, speaker and illusionist that will be available for purchase before and after sessions. That would be the only need to bring money.

What to Bring?

Bible, pen, and journal
Sleeping bag and pillow
Towel
Personal hygiene items (deodorant, toothbrush, shampoo, etc.)
Recreation clothes
White or grey t-shirt (for color war)

For social media people...

We will be using the #EpicWeekend16

We would love to see your tweets and pictures getting ready for epic weekend! Come expecting God to do something big!
