What is Northside's Missions Offering?

It is a personal commitment you make to God to give a certain amount of money, beyond your usual tithe or offering, over the next year for the purpose of local and global missions. It is made after you have sought God's will for the amount He wants you to give. It is based on faith, it exalts the Lord, and the potential impact is amazing!

A Decision Made in Faith...

This is a faith commitment. You are trusting God to guide you in determining the amount you are to give. You are also believing that He will provide the funds to fulfill your commitment. If you have determined an amount based on the Holy Spirit's leading, then you can believe God will provide the resources or reveal to you ways to fulfill your offering.

Together, we will have a greater impact for the Kingdom of God. The total amount pledged by all Northside members will be allocated wisely.

Thank you for your prayerful consideration and commitment.
