Stories: The Unforgiving Servant
Matthew 18:21-35
Rocky Purvis, Senior Pastor

The story reveals both an eternal and a practical truth.

1. The Eternal Truth

- We owe a debt we could never pay.
- Through Jesus our debt has been forgiven.

2. The Practical Truth

- Forgiveness experienced should become forgiveness expressed.
- Our unforgiveness will imprison and torture us.

Bottom Line:
Our forgiveness should compel us to forgive others.
