Exodus – Part 1
Living in Egypt
Exodus 1-2

1. Egypt is not our home. God has something better for us.
2. Egypt will always try to enslave and destroy you. Satan is the ruler of this world.

Sometimes while living in Egypt,
our only option is civil disobedience.

3. Deliverance doesn't come by our own power.

Our best efforts will never give
us what we want or need!

4. Deliverance comes when we cry out to God. He is our deliverer.
